

Messiah

Hayli Lindgren

Your the God who commands the wind
God who commands the sea
Opens the eyes of the blind man
With all authority.

All powerful All mighty MESSIAH
Who makes the blind man see
All powerful All mighty, JESUS
Sets the captives free.

Your the God who is at the beginning
God who is at the end
God who walks on water
And watches over me.

All powerful All mighty MESSIAH
Who makes the blind man see
All powerful All mighty, JESUS
Sets the captives free.

You are the messiah
You baptise with holy fire
Jesus the Messiah
Promised one, he has come, Israels king

Israels king, Israels king, Israels king.

All powerful All mighty MESSIAH
Who makes the blind man see
